

P30 GUIDE FOR REVIEWERS

Recovery Act Limited Competition: Supporting New Faculty Recruitment to Enhance Research Resources through Biomedical Research Core Centers

Purpose of the Award

- Supported by funds provided to the NIH under the American Recovery & Reinvestment Act of 2009 (“Recovery Act” or “ARRA”), Public Law 111-5
- Supports the hiring of newly-recruited faculty to develop research projects within the context of Biomedical Core Centers, defined as a community of multidisciplinary researchers focusing on areas of biomedical research relevant to NIH, such as centers, departments, programs, and/or trans-departmental collaborations or consortia
- Designed to enhance innovative programs of excellence by providing scientific and programmatic support for promising research faculty and their areas of research
- Provides funding to institutions to hire, provide appropriate start-up packages, and develop pilot research projects for newly independent investigators, with the goal of augmenting and expanding the institution’s community of multidisciplinary researchers focusing on areas of biomedical research relevant to NIH
